Full description

We depart from Puerto Varas at 8:00 a.m., traveling along the southern shore of Lake Llanquihue with views of the Osorno and Calbuco volcanoes, and stop at the Petrohué Waterfalls. From Puerto Petrohué, we took a catamaran across Lake Todos los Santos (about 1 hour and 45 minutes) to Peulla, where we visited the Velo de la Novia waterfall and had some free time. We crossed the mountain range by bus to Puerto Frías, sailed across Lake Frías to Puerto Alegre, continued on to Puerto Blest, and sailed across Lake Nahuel Huapi to Puerto Pañuelo, from where a bus took us to Bariloche. There is a border crossing: be sure to bring your passport or ID.
