Full description

The taster course is the best way to find out whether paragliding is for you. Over 1 to 3 days you learn to handle the glider on a natural dune slope, perfect for beginners: inflation, ground handling and short solo flights, always in radio contact with your instructor. All the work happens on a low school slope, safely. Small groups of 1 to 5 students.

What's included

Instructor, paraglider, harness, helmet, radio and transport to the flying site.

Not included

Accommodation and meals. Ask the school for the price.

Meeting point

Place and time agreed with the school when booking. Transport to the flying site included.
