Full description

A private outing for nature lovers. We float the Liucura river in a rowing raft, quietly, so you can get close to the birds without scaring them. Binoculars and an ID guide are provided, and the specialist guide helps you spot species such as the ringed kingfisher, cormorants or the great grebe. The trip lasts about 4 hours, with transport from Pucón. Other rivers, lagoons or a full day can be arranged on request. Private group rate depending on the number of people: ask for the price when booking.
