Full description

Relax and enjoy a fully organized fly-fishing experience in Patagonia. From the moment you arrive at the Bariloche airport until your departure, we'll coordinate your transfers, accommodations, fishing trips, meals, and every detail of your trip.

We design the itinerary based on your preferences and seasonal conditions, combining the best rivers and lakes in the region. You can stay at a fishing lodge or at 3-, 4-, or 5-star hotels in Bariloche. It's also possible to add a camping expedition and end the trip by relaxing at an exclusive lodge within Nahuel Huapi National Park.

No experience or personal gear is required. Our bilingual guides tailor the fishing experience to both beginners and advanced anglers. Non-fishing companions can also enjoy the scenery, the lodge, and other available activities.

This itinerary is based on a 7-night stay. The published price is an estimate per person, based on double occupancy, at a 3-star hotel. The final rate depends on the chosen accommodations, the number of nights, and the fishing itinerary.
