Full description

Relax and enjoy a completely organized Patagonia fly-fishing experience. From the moment you arrive at Bariloche airport until your departure, we coordinate transfers, accommodation, guided fishing days, meals and every detail of the journey.

Your itinerary is designed around your preferences and seasonal conditions, combining the best rivers and lakes in the region. Stay at a dedicated fishing lodge or choose a 3-, 4- or 5-star hotel in Bariloche. You can also combine a multi-day camping expedition with a relaxing lodge stay inside Nahuel Huapi National Park.

No previous experience or personal equipment is required. Our bilingual guides adapt each day for beginners and advanced anglers. Non-fishing companions can also enjoy the scenery, lodge facilities and optional activities.

This listing represents a 7-night base stay. The displayed price is an indicative per-person double-occupancy rate with a 3-star hotel. The final rate depends on the selected accommodation, number of nights and fishing itinerary.
