Full description

We leave Bariloche on route 258, past lakes Gutiérrez, Mascardi and Guillermo, and reach Lake Steffen around noon. After the safety talk we run the Lower Manso, with rapids such as Uvasal, Banda de Billar, Diente de Hipopótamo, Montaña Rusa and Roca Magnética. After about an hour and a half on the water we stop for lunch on a sandy beach and, in summer, there is time for a swim. We finish at Campo Puerto Manso with an afternoon snack and get back to Bariloche around 7:00 pm. Minimum age 5.
