Extremo Sur has been running Bariloche's rivers since 1991. This half-day trip covers the Villegas section of the Manso river, inside Nahuel Huapi National Park. After the safety talk we run rapids such as Banda de Billar, Diente de Hipopótamo, Montaña Rusa and Roca Magnética, through forest and sandy beaches, with swimming holes in summer. We finish at the Base Camp with a coffee. Minimum age 5.
