Full description

The Pastaza flows down from the Andes towards the Amazon and is one of Ecuador's great rafting rivers. At the Baños office we fit you with a wetsuit, helmet, shoes and life jacket, then drive about 40 scenic minutes down towards the Amazon basin, along the Llanganates and Sangay national parks.

At the riverbank the guide gives the safety briefing and we practise paddling before tackling the class III to IV rapids, in small groups with guides trained in swiftwater rescue. After the run we share a local lunch (vegetarian or vegan on request) and return to Baños.

What's included

Round-trip transport from Baños, full gear (helmet, wetsuit, shoes and life jacket), certified bilingual guide, photos of the run and lunch.

Not included

Drinks and meals not listed, personal expenses and tips.
