Full description

The Waterfalls Route is the Baños classic: about 20 km between the Andes and the Amazon basin, almost all downhill, so it is easy and suitable for everyone. At the office we give you an aluminium mountain bike with disc brakes, a helmet, a repair kit with lock and a digital map with the best stops.

You ride at your own pace: the Ulba and El Silencio waterfalls, tunnels, suspension bridges, cable cars over the canyon, the Manto de la Novia and, at the end, the Pailón del Diablo, one of the most impressive waterfalls in Ecuador. It is a self-guided ride: if you get tired, you can return to Baños with your bike on the buses or pick-up trucks that run all day.

What's included
