Official registration: Sernatur especializado en montaña

SPECIALTIES

Hiking & trekking · Volcano · Snow & snowshoeing · Climbing & mountaineering · Ice & glaciers

LANGUAGES

Español · English

I started climbing almost 20 years ago; thanks to a legacy from an uncle, I entered the profession of mountain and climbing guide. I trained as a mountain guide with the National Mountaineering Association,and through hands-on experience on the Osorno Volcano and in the Cochamo Valley. Familiar with the culture of southern Chile since childhood, and an interpreter of its transformation and development over the past 2...
