My name is Jorge Igaiman. My family and I have been running a Mapuche ecotourism business for about 10 years. We offer horseback rides starting at 1 hour,which are rides within our property, and 2- to 6-hour tours that take you to the Allipen River, the Cerro Epulonco Waterfall, the Curacalco Waterfall, and the El Brujo Gorge. Horses have been my passion since I was a child, so I'm happy to be doing what I love most.
