Santuario Ecológico Monteverde

✓ **Verified operator** · 27 years of experience

"At El Santuario, we don't just invite people to explore the forest; we invite them to experience it, learn from it, and play a part in its conservation."

Official registration: ICT

SPECIALTIES

Hiking & trekking · Nature & photography · Food & wine · Family & inclusive · Birdwatching

LANGUAGES

Español · English

We are Santuario Ecológico Monteverde, a family-run conservation and regenerative tourism project located in Monteverde, Costa Rica. Since 1999, we have been working to protect and restore our forest, keeping alive the legacy of our founder, Mireya Salazar.
On our 48 hectares of recovering tropical forest, we offer experiences that combine nature, learning, and hands-on participation. Visitors can explore our trails,...
